Re: Nexstar Network Super Meeting & The O'Shea Report

Dear Tim and Kris,

The O'Shea Report - It was awesome! We had a great time and our members loved it. It was a great way to close our event and leave everyone laughing and having fun.

I heard several people asking and talking about possibilities of hiring you for company meetings and other events. The comment I heard most was, "they were just spot on with everything", and "they are incredibly talented."

Thank you so much for bringing your "A" game for us! I laughed so hard my face hurt. And that's a good thing.

My Best,

Sheri Bennefeld
